

Sprint 2 Review

What our product owner (Tamlin Love) said:

What he liked:

1. The questions are appearing
2. Voting on questions is working
3. Questions can be added

What he did not like:

1. We did not complete all the user stories
2. Not everyone has the equipment in developing the application.

His worries:

1. How the majority of the team cannot get android studio on their personal computers.
